## NEWS & EVENTS AT THE LIBRARY THIS MONTH

### SPOTLIGHT ON...

Q: *What do I read next?*

A: Check out Novelist!

Novelist is one of many databases we subscribe to. When you're in a reading rut, Novelist is a great tool to help find your next great read.

Once you log in to Novelist (using your library card), you can check out recommended reading lists for adults, teens, 9-12 years and 0-8 years.

In each age group you can pick subjects such as: graphic novels, Canadian fiction, adventure stories, historical fiction and many more.

Have you read all the books by your favourite author? Or recently finished a great series? Search by title or author to look for read-alikes. For example: fan of *James Patterson*? Try **Jeffery Deaver** or **Ridley Pearson**. Enjoyed the *Divergent trilogy*? Try the **Testing trilogy** by **Joelle Charbonneau** or the **Legend trilogy** by **Marie Lu**.

Check out the *Lists & Articles* tab at the top for award winners and notable books, book talks and discussion guides and for other helpful tools.

To sign into Novelist, select the *Online Databases* tab in the catalog. Novelist is near the bottom of the list.
