ADULT PROGRAMS

Around the World and Beyond Book Club

When Barry Fairbrother dies in his early forties, the town of Pagford is left in shock. Pagford is, seemingly, an English idyll, with a cobbled market square and an ancient abbey, but what lies behind the pretty façade is a town at war.

Rich at war with poor, teenagers at war with their parents, wives at war with their husbands, teachers at war with their pupils...Pagford is not what it first seems. And the empty seat left by Barry on the parish council soon becomes the catalyst for the biggest war the town has yet seen. Who will triumph in an election fraught with passion, duplicity, and unexpected revelations?

A big novel about a small town, *The Casual Vacancy* is J.K. Rowling's first novel for adults. It is the work of a storyteller like no other.

These books may be borrowed from the Library but copies are limited. Please check the catalogue for availability. You can request a copy if necessary. Additional copies of some titles are available in Book Club sets (please contact Karen Kellerman, Public Services Librarian, at 250-770-7786 for assistance.)

This is the last meeting of Around the World and Beyond Book Club until the fall. Check back at the end of summer for more information about the 2014-2015 selections.

If you would like to reserve a book club set for your own book club, please speak to the staff at the information desk.

ADULT PROGRAMS

Learning at Lunch

Join us every second Friday at noon in the Library/Museum auditorium for Learning at Lunch.

Both workshops this month are being presented by Cheryl and Arthur Halsted from the COSCO Senior's Health and Wellness Institute.

Friday June 6 at noon—**Memory and Aging**

This workshop explains how memory functions and how it changes as we age. We give tips for maintaining and improving memory and advice about when to seek professional help.

Friday June 20 at noon—**Medication Awareness**

This workshop examines the potential misuse of medication and provides information about how seniors can interact with doctors and pharmacists to ensure safe and effective use of medication.

Lost on the Bottom Shelf

How many of us actually browse the books on the bottom shelf? Select a book from the display of treasures found on the bottom shelves. Read it, review it and you could win a prize!
