NEWS & EVENTS AT THE LIBRARY THIS MONTH

SPOTLIGHT ON...

Canadian Library Month 2014

Libraries Inspire

Libraries across Canada strive to make meaningful differences not only for their users, but for the whole community. There are over 23,000 library workers in over 22,000 academic, school, special and public libraries from coast to coast that help inspire Canadians in different ways: preservation of our heritage and celebration of our culture, universal access to information and lifelong learning.

Over 97 per cent of Canadians live in a community that is served by a public library. But public libraries are not the only type; academic and special libraries help researchers with their projects, whereas school libraries inspire the young to dream and pursue a variety of interests.

Libraries continue to have a strong role in today's community, and will continue to contribute in the future. Join us this month in celebrating *how* libraries inspire and *what* libraries have inspired.

To learn more about Canadian Library Month, or to share your own inspirational library story, check out librarymonth.ca.

Dirty Book Sale — Saturday October 18

CHILDREN'S PROGRAMS

Baby Songs and Rhymes

(Age: pre-walkers, infant -15 months, with caregiver)

ADULT PROGRAMS

Around the World and Beyond Book Club

Join us Monday October 27, 1:00-2:30 pm in the Penticton Public Library auditorium for a discussion of the book *The Rosie Project* by Graeme Simsion.

A first-date dud, socially awkward and overly fond of quick-dry clothes, genetics professor Don Tillman has given up on love, until a chance encounter gives him an idea. He will design a questionnaire-a sixteen-page, scientifically researched questionnaire-to uncover the perfect partner. She will most definitely not be a barmaid, a smoker, a drinker or a late-arriver. Rosie is all these

things. She is also fiery and intelligent, strangely beguiling, and looking for her biological father, a search that a DNA expert might just be able to help her with. *The Rosie Project* is a romantic comedy like no other. It is arrestingly endearing and entirely unconventional, and it will make you want to drink cocktails. (from Amazon.ca)

Book Club titles may be borrowed from the Library but copies are limited. Please check the catalogue for availability. Additional copies of some titles are available in Book Club sets (please contact Karen Kellerman, Public Services Librarian, at 250-770-7786 for assistance.)

Upcoming Books:

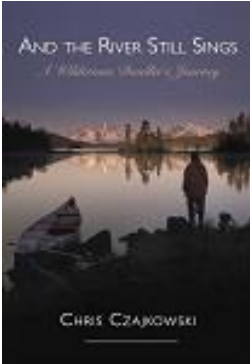

<i>A Tale for the Time Being</i> by Ruth Ozecki	Nov. 24, 2014
<i>This is the Story of a Happy Marriage</i> by Ann Patchett	Jan. 26, 2015
<i>The Book Thief</i> by Marcus Zusak	Feb. 23, 2015
<i>The Cat's Table</i> by Michael Ondaatje	Mar. 30, 2015
<i>The Girl Who Saved the King of Sweden</i> by Jonas Jonasson	Apr. 27, 2015
<i>The Hotel on the Corner of Bitter & Sweet</i> by Jamie Ford	May 25, 2015
<i>The Storied Life of A.J. Fikry</i> by Gabrielle Zevin	Jun. 29, 2015

AUTHOR VISITS

Chris Czajkowski

Monday, October 20 at 7 pm

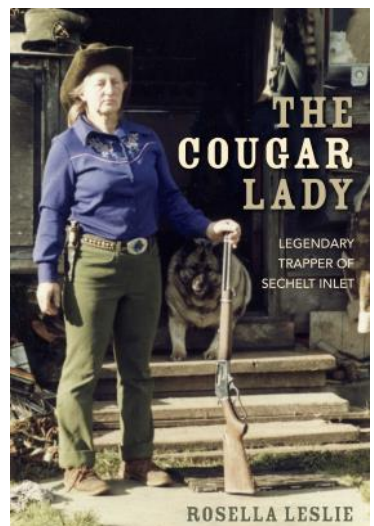

Chris Czajkowski is the bestselling author of *Cabin at Singing River* and *Lonesome: Memoirs of a Wilderness Dog*. Chris is touring with her new book *And the River Still Sings: a Wilderness Dweller's Journal*, and will be giving a reading and slideshow at the Library on Monday, October 20th at 7 p.m. You've heard her on CBC, now meet her here! This reading is free of charge and everyone is welcome.

Rosella Leslie

Friday, October 24 at 2 pm

History buffs and would-be genealogists and authors, take note: **Rosella Leslie**, an award-winning author of both non-fiction and historical fiction, will be launching her new book *The Cougar Lady: Legendary Trapper of Sechelt Inlet* at the Library on Friday, October 24th at 2 p.m. The book launch will be followed by a free seminar, *Searching the Past: a Journey of Discovery*, where Rosella will use examples from her own work to offer researching shortcuts and provide tips on getting the most from an interview. She is a great believer in the value of persistence and demonstrates how a simple search can sometimes lead to surprising discoveries. Everyone is welcome to attend this free presentation.
